Notes: 1. Entries made in Blue font reflect additions, changes, or comments to the St James Cemetery Burial List based on data revealed during a review of the St James' Parish Registers; and comparison of the Burial List to the St James Churchyard List at Balch Library, comparison with the Loudoun Cemetery Database listing for the Old Episcopal Church, Leesburg (last updated in November 2010) that is available on line from the Balch Library website, and comparison with the readable markers in the Cemetery. At the current time some grave markers from the cemetery are stored temporarily on the St. James' church premises and are not accessible for reading. Additional data Columns were added to the Burial List to indicate whether the individual listed is included in a St. James' Parish Register (those Registers still known to exist) as having been buried at the St. James' Cemetery; is included on the St James Churchyard List available at Balch Library; is included in the Loudoun Cemetery Database; or has a readable marker now located in the St. James' Cemetery on Church Street.

2. This revised list was prepared during March - July 2011 by Bill Brooks, a member of the Cemetery Marker Sub-Committee
